## ACTION REQUEST RESPONSE

To: Public Service Commission

From: Division of Public Utilities  
Chris Parker, Director  
Energy Section  
Artie Powell, Manager  
Doug Wheelwright, Utility Analyst

Date: February 7, 2013

Subject: Docket No. 12-025-T01, Empire Electric Association, Inc. - Corrected  
Tariff Pages

### RECOMMEND APPROVAL:

The Division recommends the Commission accept the revised tariff sheets filed with the Commission on January 28, 2013 under Docket No. 12-025-T01.

### ISSUE:

On November 30, 2012, Empire Electric Association, Inc. (Company) filed updates to 12 existing tariff sheets and filed 5 new tariff sheets with the Public Service Commission.

On December 24, 2012 the Division on Public Utilities recommended approval of the revised tariff sheets. On January 11, 2013 the Commission acknowledged the proposed changes.

On January 28, 2013, Empire filed revisions to tariff sheet 6A and sheet 9. The actual rate that was approved was correct, however the tariff sheets contained an error. In two locations the tariff sheet incorrectly reads \$36.81 instead of \$36.18. This was a transposition error that was not detected in the original filing. The Company has

submitted the corrected sheets to the Commission. On January 31, 2013, the Commission issued an Action Request to the Division of Public Utilities (Division) to review the tariff filing for compliance to the order. This is the Division response to that request.

**DISCUSSION:**

This is a re-filing of two of the tariff sheets originally filed with the Commission on November 30, 2012 in Docket No. 12-025-T01. The Division responded to that filing in a memo to the Commission dated December 24, 2012 recommending approval of tariff sheets with an effective date of January 1, 2013. The Division has reviewed the updated tariff sheets as filed by the Company on January 28, 2013, and finds that the changes are correct. The Division therefore recommends the Commission accept the revised tariff sheets as submitted by the Company.
