**SUBJECT:**

Action Request regarding Garkane Energy Cooperative, Inc (Garkane) revised rate schedules in Docket No. 12-028-T01. Request for two (2) week delay in response from Division.

**ISSUE:**

On April 19, 2012, the Utah Public Service Commission (Commission) sent to the Utah Division of Public Utilities (Division) an Action Request in Docket No. 12-028-T01 to investigate Garkane's revised tariffs filed with the Commission on April 18, 2012. The Action Request response is due May 11, 2012.

**REQUEST TWO WEEK DELAY:**

Request a two week delay to May 25, 2012 for response from the Division.

**DISCUSSION:**

On April 18, 2012, Garkane filed with the Commission in Docket No. 12-028-T01, fifteen revised rate schedules, all with effective dates of July 1, 2012. On April 19, 2012, the Commission issued an Action Request to the Division to investigate the tariff application.

In the course of that investigation, the Division discovered some tariff schedules that may need further clarification before the Division can complete its investigation. The individual at Garkane who can provide the required clarification, which may necessitate the re-filing of some schedules, is unavailable until May 15<sup>th</sup>. Therefore the Division requests a delay until May 25, 2012 for a response to the Action Request. This should provide Garkane ample time to possibly correct some schedules and re-file them before the effective date of July 1, 2012.
