**BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH**

---

In the Matter of the DSM Annual Report Filing by Rocky Mountain Power	DOCKET NO. 11-035-____
--	------------------------

---

**MOTION FOR AN  
EXTENSION OF FILING DATE**

---

Rocky Mountain Power, a division of PacifiCorp, (“Rocky Mountain Power” or “PacifiCorp”), hereby moves the Public Service Commission of Utah (“Commission”) for an extension of the filing date for the demand-side management (“DSM”) annual report, currently scheduled for March 31, 2012. Rocky Mountain Power met with the Cost-Effectiveness (Sensitivity) Subcommittee of the DSM Advisory group March 2, 2012. In support of this Motion, Rocky Mountain Power states as follows:

1. The Company discussed with the Cost-Effectiveness (Sensitivity) Subcommittee of the DSM Advisory group whether certain costs should be treated as part of program costs, customer segment costs or portfolio costs in determining cost effectiveness. The

group requested additional time to consider the Companies request, and tabled the issue until the next Subcommittee meeting scheduled for March 14, 2012.

2. The Company is not able to complete the DSM Annual Report until the subcommittee provides input regarding how these costs will be treated. Granting an extension to the current filing date of the DSM Annual Report, currently scheduled for March 31, 2012, until April 30, 2012, will allow the Company to receive additional input from the Subcommittee regarding whether certain expenditures should be included in the Company's program costs.

3. Accordingly, the Company respectfully requests that the Commission extend the filing date of the annual report from March 31, 2012, until April 30, 2012.

WHEREFORE, Rocky Mountain Power requests the Commission order an extension of the March 31, 2012, filing date for the DSM annual report until April 30, 2012.

DATED this 6<sup>th</sup> day of March 2012.

Respectfully submitted,

---
