Re: Hearing in Docket 12-035-67—Pending Settlement Stipulation

Chairman Allen,

Parties in the above-mentioned docket have been engaged in settlement negotiations and have agreed on a settlement. A settlement stipulation finalizing that agreement is being prepared for anticipated filing tomorrow, January 23, 2013. Part of that stipulation will require cancelling tomorrow's scheduled hearing of the issues in this matter.

As of the writing of this letter, I am aware of no party who objects to the settlement stipulation or the cancellation of tomorrow's hearing. Parties intend to set a new hearing date in the near future in consultation with the Commission. Thank you for your indulgence of this late notice.

Sincerely,

Chris Parker
