Re: Docket No. 08-999-05 - Smart Grid Monitoring Report

In its November 30, 2011 Report and Order in the above referenced docket the Commission directed Rocky Mountain Power to file an annual Report on Smart Grid Technology in July each year. In compliance with that order, Rocky Mountain Power hereby submits its 2012 Smart Grid Annual Report, Utah Addendum, and Appendix A. The Company will also provide an electronic version of this filing to psc@utah.gov. A Confidential CD containing workpapers supporting Appendix A will also be provided.

The Utah Addendum, Appendix A, and the workpapers to the 2012 Annual Smart Grid Report contain information that is commercially sensitive to Rocky Mountain Power and are confidential. Accordingly, Rocky Mountain Power is filing the confidential documents and workpapers under seal pursuant to R746-100-16, and requests that the Commission require any party who wishes to view these documents execute a Confidential Information Certificate.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
