Commission Secretary

Re: Docket No. 08-999-05 – Addendum III to Smart Grid Monitoring Report

On July 6, 2012, Rocky Mountain Power filed its 2012 Smart Grid Annual Report in the above referenced docket with a corrected report filed July 31, 2012. On September 14, 2012, the Commission directed the Company to provide an addendum to the report containing pertinent cost/benefit information for the Company's dynamic line ratings projects which are currently underway. In compliance with the Commission's directions, Rocky Mountain Power hereby submits Utah Addendum III to that report. The Company will also provide a confidential electronic version of this filing to [psc@utah.gov](mailto:psc@utah.gov).

Utah Addendum III to the 2012 Annual Smart Grid Report contains information that is commercially sensitive to Rocky Mountain Power and is confidential. Accordingly, Rocky Mountain Power is filing the confidential documents under seal pursuant to R746-100-16, and requests that the Commission require any party who wishes to view these documents execute a Confidential Information Certificate.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
