- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

In the Matter of the Voluntary Request of Rocky Mountain Power for Approval of Resource Decision to Construct Selective Catalytic Reduction Systems on Jim Bridger Units 3 and 4	)))))))	DOCKET NO. 12-035-92 NOTICE OF AMENDED HEARING DATE

ISSUED: January 17, 2013

By The Commission:

On August 24, 2012, Rocky Mountain Power, a division of PacifiCorp which is a Utah public utility ("Company"), filed the above-captioned application. On September 24, 2012, the Commission issued a scheduling order and notice of hearing, noticing this matter for hearing on February 5-6, 2013. The Company then filed a motion on January 4, 2013, requesting to reschedule the hearing dates to late March 2013. Also on January 4, 2013, Sierra Club, an intervenor, filed a motion for stay or continuance of this proceeding ("Sierra Club's motion"), pending certain determinations by the U.S. Environmental Protection Agency that are not expected until September 27, 2013. On January 8, 2013, the Commission issued an order amending the procedural schedule previously adopted by the Commission, and issued a notice of scheduling conference to schedule a tentative hearing date, contingent on the subsequent resolution of Sierra Club's motion.

On January 16, 2013, the Commission convened a duly-noticed scheduling conference to establish a tentative hearing date for this proceeding. In accordance with the discussion at the conference, the parties have agreed to the following:

Item	Date/Time/Location
Hearing	**Thursday, March 7, 2013, 9:00 a.m., Fourth Floor Hearing Room 403, Heber M. Wells Bldg., 160 East 300 South, Salt Lake City, Utah.** <u>**NOTE: Parties should also reserve March 8, 2013, in the event the hearing lasts more than one day.**</u>

The Commission's ruling on Sierra Club's motion will indicate whether the hearing will go forward on the scheduled date.

Individuals wishing to participate in the hearings by telephone should contact the Commission two days in advance by calling (801) 530-6716 or (toll-free) 1-866-PSC-UTAH (1-866-772-8824). Participants attending by telephone should then call the Commission at one of the numbers posted above five minutes prior to the hearings to ensure participation.

In compliance with the Americans with Disabilities Act, individuals needing special accommodations (including auxiliary communicative aids and services) during the hearing should notify the Commission at least three working days prior to the hearing, using one of the phone numbers listed in the preceding paragraph.

DATED at Salt Lake City, Utah, this 17th day of January, 2013.
