PURPOSE: To allow customers to self-direct Schedule 193 DSM Cost Adjustment charges into cost-effective demand side management (DSM) projects within their own facilities.

APPLICATION: This Schedule shall be available to an Eligible Customer subject to a DSM Cost Adjustment charge pursuant to Electric Service Schedule No. 193 in accordance with the terms and provisions specified herein. If Schedule No. 193 is terminated, no new projects will be allowed under this schedule.

A customer with multiple meters measuring usage at facilities, one or more of which will be involved in a DSM Project, may aggregate the loads at those facilities to meet minimum usage requirements to qualify as an Eligible Customer, so long as the DSM Project for the aggregated facilities is submitted as a single project. Customers who become Eligible Customers through aggregation of meters must bear any incremental costs and expenses incurred by the Company and the Self-Direction Administrator in excess of the average costs and expenses incurred in connection with customers who are Eligible Customers without consideration of aggregation.
