Re: **Request for Scheduling Conference**

Docket No. 13-035-117, Power Purchase Agreement—PacifiCorp/Long Ridge Wind I, LLC

RECOMMENDATION (Set Scheduling Conference)

The Utah Division of Public Utilities (Division) recommends that the Public Service Commission of Utah (Commission) set a Scheduling Conference in this matter.

DISCUSSION AND CONCLUSION

In an Action Request dated July 10, 2013, the Commission requested that the Division review and make recommendations in this matter by August 8, 2013. This memorandum responds to the Commission's Action Request.

The Division has made a preliminary review of the PacifiCorp filing and has identified several potentially complex issues that, among other things, may require two or more rounds of data

requests. Consequently, the Division recommends that the Commission hold a scheduling conference in order to facilitate the process and resolution of this docket. The Division will proceed under this docket according to the Commission's scheduling order.
