RE: Purchase Power Agreement between PacifiCorp, dba Rocky Mountain Power, and Kennecott Utah Copper LLC, (Refinery) Docket No. 13-035-152.

RECOMMENDATION (Approve as Amended)

The Division of Public Utilities (Division) recommends that the Commission approve as amended the Non-Firm Purchase Power Agreement (Agreement) between PacifiCorp (Company) and Kennecott Utah Copper LLC. On November 8, 2013, the Company filed amended pricing to the original Agreement. This amended pricing is consistent with the Division's recommendation in its October 24, 2013 memorandum in this docket. Therefore the Division now recommends approval of this Agreement with the amended pricing.
