Response to R746-700-22.D.19

Please refer to Attachment R746-700-22.D.19. Please note that these wage and benefit expenses are combined with all other labor and benefit expenses before being allocated to jurisdictions. As a result, these costs are not directly available on a Utah allocated basis. However, these expenses can be calculated using the approximate Utah allocation of total utility labor as shown on Attachment R746-700-22.D.19.
