OCS Data Request 5.17

In the Utah Commission Order in Docket 09-035-23, the Commission directed the Company and the DPU to provide “an examination of changes to the minimum bill.” Please provide all analyses, studies, reports, communications, and any other documents related to this directive from the Commission. Please provide this information electronically in an Excel spreadsheet with formulas intact.

Response to OCS Data Request 5.17

The Company is not aware of any analysis performed by the DPU. Please see the direct testimony of William R. Griffith in docket 10-035-124, available on the Commission web site, for the Company’s examination of changes to the minimum bill.
