Subject: Support solar!
To: drexclark@utah.gov

Dear Commissioner Clark,

Utah has amazing solar resources and should be a national leader in rooftop solar, but ranks only 31st in the nation for solar homes.

Now, Rocky Mountain Power is trying to impose a solar tax that will prohibit Utah from ever being a national solar leader.

Don't penalize customers who want to generate clean solar energy. Support solar and Utah's clean energy future.

Sincerely,

Anthony Motto
