Subject: Make Utah a solar leader  
To: tleva@utah.gov

Dear Commissioner LeVar,

Utah ranks 7th in the United States for solar resource but only 31st for solar homes. Utah should be a solar leader but we have fallen behind.

Don't penalize customers for making the choice to generate their own clean energy. I urge you to support Utah's clean energy future and oppose this unfair tax.

Sincerely,

Sharon Wendt
