Subject: Make Utah a solar leader
To: drexclark@utah.gov

Dear Commissioner Clark,

Utah ranks 7th in the United States for solar resource but only 31st for solar homes. Utah should be a solar leader but we have fallen behind.

If Rocky Mountain Power succeeds in implementing a monthly tax on solar customers, that future will never be realized.

Don't penalize customers for making the choice to generate their own clean energy. I urge you to support Utah's clean energy future and oppose this unfair tax.

Sincerely,

Amy Young
