Subject: Compliance Filing to Implement the Commission's Order Confirming Bench Ruling in Docket No. 13-035-196 – Partial requirement Service – Large General Service – 1,000 kW and Over.

Date: September 11, 2014

This filing was submitted by Rocky Mountain Power (Company) in compliance with the Commission Order Confirming Bench Ruling (Order) issued on July 23, 2014, in Docket No. 13-035-196. The Order approved a Stipulation regarding the Company's proposed revisions to Schedule 31. The Company requested an effective date of September 1, 2014.

The Division has reviewed the compliance filing and verifies that it is in compliance with the Commission order. The Division has noted that the Company has, inadvertently, not included a clean version of the First Revision of Sheet No. 31.3 in the compliance filing. The Division reviewed the redline version of this Sheet and did not see any problems with it. In a telephone conversation with the Division, the Company indicated that it will file this Sheet with the Commission on or around September 11, 2014.

Therefore, the Division recommends that the Commission approve the Company's filing as complying with the Commission order.
