Re: **Request for Extension: Rocky Mountain Power's Demand-Side Management 2012 Annual Energy Efficiency and Peak Load Reduction Report –**

Docket No. 13-035-71

On June 28, 2013 the Company filed corrections to its Demand-Side Management 2012 Annual Energy Efficiency and Peak Load Reduction Report. On July 8, 2013 the Commission issued an Action Request to the Division to review the Company's changes for compliance and make recommendations.

The Division has requested addition information in this filing that it has not received and will need time to review. The Division has asked for expedited treatment of the data request from the Company. The Division requests a two week postponement of the action request response to August 6, 2013.
