**Re: Refile - Advice No. 13-02  
Regulation 1 – Housekeeping Filing**

The purpose of this filing is to revise Rocky Mountain Power's Electric Service Regulation No. 1 to update the local telephone number for the Utah State Division of Public Utilities Complaint Office. Rocky Mountain Power's initial filing failed to include the area code with the local phone number for the DPU Complaint Office.

Enclosed for filing are an original and two copies of proposed tariff sheet associated with Tariff P.S.C.U. No. 49 of PacifiCorp, d.b.a Rocky Mountain Power, applicable to electric service in the State of Utah. Pursuant to the requirement of Rule R746-405D, Rocky Mountain Power (the "Company") states that the proposed tariff sheet does not constitute a violation of state law or Commission rule. The Company is requesting an effective date of March 22, 2013 for this change.
