Docket No. 14-028-T01

Dear Mr. Widerburg:

On January 28, 2014, following a properly noticed public meeting of its members, Garkane Energy's Board of Directors approved changes to the following schedules in the Utah Tariff:

1. Schedule 27 – Street and Security Lighting: added words to include LED lights with no rate changes.
2. Schedule UT027 – Street and Security Lighting: added words to include LED lights with no rate changes.
3. Schedule SC – Impact Fees & Service Charges: lowered the minimum impact fee for small services up to 60 amperes.
4. Schedule 33 – Net Metering Service – Residential: added “Wholesale Power Cost Adjustment” and “Minimum” paragraphs consistent with the regular residential rate schedule.
5. Schedule 34 – Net Metering Service – General Service: added “Wholesale Power Cost Adjustment” and “Minimum” paragraphs consistent with the regular general service rate schedule.

Enclosed is an original and two copies of each revised schedule. Electronic copies of the Word documents will be emailed to psc@utah.gov.

Sincerely,

Carl R. Albrecht
General Manager & CEO
