UCARE's First Data Request to Utah Governor's Office of Energy Development

Utah Citizens Advocating Renewable Energy (UCARE) hereby submits its first data request regarding the above captioned proceeding. UCARE requests that the Utah Governor's Office of Energy Development provide responses to the attached inquiry as expeditiously as possible and preferably by June 22, 2015.

INSTRUCTIONS

1. Please provide copies of responses to the following persons:
Stanley T. Holmes Michael D. Rossetti
846 N. East Capitol Blvd. mike_rossetti@ucare.us.org
Salt Lake City, UT 84103
stholmes3@xmission.com
2. UCARE requests that copies of all communications regarding this matter be directed by email to the abovementioned persons and to the Utah Public Service Commission at: psc@utah.gov Attn: Docket #14-035-114
3. Responses to any and all of UCARE's data requests should be supplied to UCARE as soon as they become available to the Utah Governor's Office of Energy Development.
4. The requests herein shall be deemed to be continuing in nature and the Utah Governor's Office of Energy Development is requested to supplement its responses as necessary and as additional information becomes available.
5. In responding to each data request, please consult every document source that is in your possession, custody, or control, including all documents in the possession of experts or consultants.

6. For each response, identify the person who prepared the answer to the data request as well as his or her position with the Utah Governor's Office of Energy Development, contracted party, or other office of Utah state government.
7. Please reproduce the data request being responded to before the response.
8. Since the responses should include computer modeling input and output files, please provide those data files in electronic machine readable or txt format.
9. If the responses include spreadsheet files, please provide those spreadsheet files in useable electronic Excel readable format.
10. In responses providing computer files, please list the file names with cross-reference to the data request, and if necessary to the understanding of the data, provide a record layout of the computer files. Computer files provided with a response must be in or compatible with the current version, or the immediately prior version, of Microsoft Office.
11. For each dollar amount provided in response to a discovery request please state if the amount is in nominal or constant dollars and what years dollars.
