---

Pursuant to Utah Code Ann. § 63G-4-201, 203 and Utah Admin. Code R746-100-3, Rocky Mountain Power (the “Company”) respectfully requests that the Public Service Commission of Utah (“Commission”) approve its Agreement for Electric Service (“Agreement”) by Ephraim City, Utah (“City”) to additional customers (“Additional Customer(s)”) whereby pursuant to Utah Code Ann. § 10-8-14, the City may provide electric service to Additional Customer(s) outside its municipal boundary after June 15, 2013, and located within the Company’s certificated service territory subject to, and in accordance with, the Agreement. The Agreement is attached hereto as Attachment A. Attachment A includes a Confidential Exhibit 1, which contains proprietary customer information. In support of this petition, the Company states as follows:

1. Rocky Mountain Power is a public utility in the state of Utah and is authorized by a certificate of public convenience and necessity issued by the Public Service

Commission of Utah (“Commission”) to provide electric service to customers, inclusive of the Additional Customer(s), in areas outside the municipal boundary of the City. Rocky Mountain Power's principal place of business in Utah is 201 South Main Street, Suite 2400, Salt Lake City, UT 84111.

2. The Additional Customer(s), identified more particularly in the Agreement, have requested service from the City, which electric service is located outside the municipal boundaries of the City. A map showing the relative location of the Additional Customer(s) to the nearest City distribution facilities and the nearest Rocky Mountain Power distribution facilities is attached hereto as Attachment B. The Additional Customer(s) are located nearer to the City distribution facilities than to the nearest Rocky Mountain Power distribution facilities. The Additional Customer(s) are not currently receiving electric service at the requested location(s) from either the Company or the City.

3. The City is a municipal provider of retail electric service within the municipal boundaries of the City. The City desires to provide electric service to the Additional Customer(s) – identified more particularly in the Agreement – outside its municipal boundary. The municipal offices of the City are located at 5 South Main, Ephraim, Utah 84627.

4. The Legislature of the State of Utah passed Senate Bill 180 (the “Bill”) during the 2013 General Session of the Legislature amending Utah Code Ann. § 10-8-14 regarding electric service by a municipal utility outside of its municipal boundaries. The Bill became law on May 13, 2013.

5. Pursuant to Utah Code Ann. § 10-8-14(5) the City has submitted a request to the Company to provide electric service to the Additional Customer(s), Rocky Mountain

Power has agreed to allow the City to provide electric service to the Additional Customer(s), and the Company and the City have entered into the Agreement for the provision of electric service to the Additional Customer(s), subject to the approval of the Public Service Commission.

6. The Parties have entered into the Agreement, subject to the Commission's approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40 to provide terms and conditions for the City to provide electric service to Additional Customer(s) in accordance with the terms and conditions of this Agreement.
