DOCKET NO. 14-035-115
ORDER APPROVING ELECTRIC SERVICE AGREEMENT

ISSUED: October 21, 2014

On August 27, 2014, PacifiCorp, dba Rocky Mountain Power (“PacifiCorp”) filed a request for approval of an agreement with Ephraim City, Utah (“City”), whereby PacifiCorp and the City agree that the City will provide electric service to certain additional customer(s) located outside the City’s municipal boundaries and located within PacifiCorp’s certificated service territory (“Agreement”). PacifiCorp indicates the City and PacifiCorp entered into the Agreement, subject to the Commission’s approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40.

On September 8, 2014, the Division of Public Utilities (“Division”) filed comments pursuant to the Commission’s August 29, 2014, Notice of Filing and Comment Period, recommending approval of the Agreement. No parties filed reply comments.

The Division indicates the customer(s) are not currently receiving electric service from the City or PacifiCorp. The Division notes that according to the City and PacifiCorp, the additional customer(s)’ meter(s) are located closer to the nearest City distribution facilities than to the nearest PacifiCorp distribution facilities. As such, it is presently more cost-effective for the City to provide electric service to the additional customer(s). Finally, the Division indicates the Agreement will not affect any other current PacifiCorp customers. Based on these factors, the Division recommends the Commission approve PacifiCorp’s Request.

DOCKET NO. 14-035-115

- 2 -

The Commission has not received any opposition to PacifiCorp's Request.

ORDER

Based on the Division's recommendation, the lack of opposition to the Request, and for other good cause appearing, the Request is approved.

DATED at Salt Lake City, Utah this 21st day of October, 2014.
