Re: Docket No. 14-035-82, "In the Matter of Rocky Mountain Power's Customer Owned Generation and Net Metering Report and Attachment A for the Period April 1, 2013 through March 31, 2014"

Dear Mr. Taylor:

On July 1, 2014, Rocky Mountain Power (Company) filed a Net Metering Customer Generation Report and Attachment A for the Period April 1, 2013, through March 31, 2014 (2013 Report). In an August 6, 2014, memorandum filed with the Commission, the Division of Public Utilities (Division) concludes the 2013 Report satisfies the Commission's reporting requirements and recommends Commission acknowledgment. In an August 8, 2014, memorandum, the Office of Consumer Services (Office) also recommends that the Commission acknowledge the 2013 Report. The Office further recommends that in future reports the KWH Credit columns in Attachment A should be renamed with a more meaningful title, for example KWH Expired or KWH Credits Expired.

The Commission concurs with the Division's and Office's recommendations and acknowledges the 2013 Report complies with the Commission's reporting requirements. The Commission also concurs with the Office's recommendation to rename the KWH credit columns.

If you have further questions or comments, I can be reached by phone at (801) 530-6716 or email at gwiderburg@utah.gov.

Sincerely,

/s/ Gary L. Widerburg
