Commissioners,

Various parties are confused about the effect of January 16, 2015 notice entitled "Notice of Intent to Alter Order on Review and Order Staying Portion of Order on Review" (Notice of Intent) issued in Docket No. 14-035-T04. All parties to the docket and those listed on the Commission's certificate of service for the Notice of Intent are copied on this email.

Specifically, clarification is requested regarding certain procedural issues:

1. Does the Notice of Intent change the January 26, 2015 due date for responses, if any party so desires, to Rocky Mountain Power's Petition for Reconsideration, Review or Rehearing of the Commission's December 30, 2014 Order (December Order) on Review and Motion for Stay? If so, are comments on portions of Rocky Mountain Power's petition not addressed in the Notice of Intent also due on Monday, February 2, 2015?
2. Did the Notice of Intent grant rehearing of the December Order and, if so, on what issues?

3. Did the Notice of Intent affect the finality of the December Order, altering the due date for filing, if any party so desires, an appeal of the December Order?

The Division and other parties look forward to your response.

Thank you,

Trisha
