Re: Advice Letter No. 14-08 in Docket No. 14-035-T09, In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service Schedule No. 117, Residential Refrigerator Recycling Program

Dear Mr. Taylor,

The Commission reviewed the proposed tariff sheet revisions transmitted with your Advice Letter No. 14-08, dated July 18, 2014, in Docket No. 14-035-T09. The Commission also reviewed the updated tariff sheets filed by PacifiCorp on August 12, 2014, that incorporate the revisions suggested by the Office of Consumer Services ("Office") in its comments dated August 5, 2014, and were reviewed and recommended for approval by the Division of Public Utilities ("Division") in its comments of the same date.

Based on the recommendations of the Office and the Division and the lack of opposition by any other party, the Commission approves the proposed tariff sheet revisions as filed on August 12, 2014, with an effective date of August 17, 2014.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
