

**ELECTRIC SERVICE REGULATION NO. 12 - Continued**

**1. CONDITIONS AND DEFINITIONS (continued)**

- (l) Routes, Easements and Rights-of-Way** -- The Company will select the route of an Extension in cooperation with the Applicant. The Applicant will acquire and pay all costs of obtaining complete unencumbered rights-of-way, easements, or licenses to use land, and will pay all costs for any preparation or clearing of land the Company may require. Any required easements will be prepared on Company-provided forms. If requested by the Applicant, the Company will assist in obtaining rights-of-way, easements or licenses as described above at the Applicant's expense.
- (m) Regulations Previously in Effect** -- Regulation changes do not modify existing Extension contracts. If a Customer advanced funds for an Extension under a regulation or a contract previously in effect, the Company will make refunds for additional Customers as specified in the previous regulation or contract.

The Extension Allowance for permanent single residential applications is \$1100. The Extension Allowance for a residential application in a planned development where secondary voltage service is available at the lot line is \$350. The Applicant must advance the costs exceeding the Extension Allowance prior to the start of construction.
- (b) Additional Customers, Advances and Refunds**  
A Customer that pays for a portion of the construction of an Extension may receive refunds if additional Customers connect to the Extension. The Customer is eligible for refunds during the first ten years following construction of an Extension for up to four additional Applicants as given in section 1(j) Refunds. Each of these four Applicants utilizing a portion of the initial Extension, for which a refund was not waived, must pay the Company, prior to connection, 20% of the cost of the shared facilities.
