Re: Docket No. 14-035-T10, In the Matter of Rocky Mountain Power's Tariff Sheets in Compliance with the Commission's Report and Order in Docket No. 13-035-184, dated August 29, 2014

Dear Mr. Taylor,

The Commission has reviewed the proposed tariff sheet revisions transmitted on September 5, 2014, in Docket No. 14-035-T10 entitled above.

The Division of Public Utilities has reviewed the proposed tariff sheet revisions and has verified the tariff changes are consistent with the Commission's Report and Order in Docket No. 13-035-184, issued August 29, 2014, with one exception, the change to Schedule 12, Street Lighting Customer-Owned System. Rocky Mountain Power's proposed change to Schedule 12 was not opposed by intervening parties in the rate case, therefore the Division recommends the Commission approve the compliance filing.

The Commission approves the proposed tariff sheet revisions as filed with an effective date of September 1, 2014.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
