Re: Advice No. 14-11
Schedule 4 – Pole Attachments

Enclosed for filing are an original and five copies of proposed tariff sheet listed below associated with Tariff P.S.C.U No. 50 of PacifiCorp, d.b.a Rocky Mountain Power, applicable to electric service in the state of Utah. Pursuant to the requirement of Rule R746-405-2(D), Rocky Mountain Power (the “Company”) states that the proposed tariff sheets do not constitute a violation of state law or Commission rule.

The Company intends to provide an electronic version of this filing to psc@utah.gov. The Company respectfully requests an effective date of December 25, 2014 for these changes.

First Revision of Sheet No. 4-2 Schedule 4 Pole Attachments

In its November 21, 2012 Report and Order in Docket No. 10-035-97 the Commission approved the inclusion of a Schedule of Non-Recurring Fees in Electric Service Schedule No. 4, Pole Attachments. On December 3, 2012, the Company submitted a compliance filing which included the ordered changes to Schedule 4 which was subsequently acknowledged by the Commission. In the Company’s compliance filing in the 2014 General Rate Case, Docket 13-035-184, however, the Schedule of Non-Recurring Fees was inadvertently left out of the Schedule 4 tariff sheet. This filing returns the previously approved Schedule of Non-Recurring Fees to Schedule 4.
