Dear Ms. Paschal:

Enclosed you will find a corrected copy and original of the above-referenced material.

I apologize for the inconvenience of us sending another. The reporter submitted some minor corrections shortly after we sent you the first version of the transcript and we wanted you to have them right away. If you would kindly dispose of those first documents, these will now serve as the final version. The exhibits that you previously received should stay with your new original.

I have also made sure all of the corrected files have been uploaded for online access.

Thank you for your patience and understanding with this matter. It is much appreciated.

Sincerely,

Samantha Saylor
