Re: Docket No. 15-035-61, In the Matter of the Application of Rocky Mountain Power for Approval of its Subscriber Solar Program (Schedule 73)

Dear Mr. Lively,

The Public Service Commission of Utah (Commission) has reviewed the proposed tariff sheets transmitted with PacifiCorp's dba Rocky Mountain Power's letter dated October 26, 2015, in Docket No. 15-035-61, entitled above.

In its November 6, 2015 action request response to the Commission, the Division of Public Utilities (Division) reviewed the proposed tariff sheets filed on October 26, states the tariff sheets comply with the Commission's October 21, 2015 order in this docket, and recommends the Commission approve them as filed, with an effective date of October 21, 2015.

Based on the Division's review, the Commission approves the proposed tariff sheets filed on October 26, 2015, effective October 21, 2015.

Sincerely,

/s/ Gary L. Widerburg
Commission Secretary
