Re: Docket No. 15-035-63, "In the Matter of Rocky Mountain Power's 2015 Smart Grid Monitoring Report"

Dear Mr. Lively:

On July 1, 2015, PacifiCorp, dba Rocky Mountain Power ("PacifiCorp"), filed its 2015 Smart Grid Monitoring Report ("Report") to comply with reporting requirements the Commission established in Docket No. 08-999-05.<sup>1</sup> The Division of Public Utilities ("Division") and the Office of Consumer Services ("Office") filed comments on the Report on July 29, 2015 and July 31, 2015, respectively. In response to these comments, PacifiCorp filed a revised Report ("Revised Report"). The Division filed comments on the Revised Report on September 16, 2015, and PacifiCorp filed supplemental material to the Revised Report on October 1, 2015. On October 6, 2015, the Division filed additional comments, recommending the Commission acknowledge the Revised Report because, with the inclusion of the supplemental material, it satisfied the Commission's reporting requirements.

Having reviewed the Revised Report, the supplemental material, the Division's comments and the Office's comments, the Commission acknowledges the Revised Report (with the supplemental material) is in compliance with the Commission's reporting requirements.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
