BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for Approval of the Purchase and Transfer Agreement and the Power Supply Agreement with Navajo Tribal Utility Authority (NTUA) and Amendment of Certificate of Public Convenience and Necessity	DOCKET NO. 15-03584  Request for Public Witness Day On or Near the Areas Affected by Application
--	--

Pursuant to the Scheduling Order issued in this matter January 12, 2016 and an inquiry of the Commission hearing officer at the Technical Conference held February 9, 2016, Resolute Natural Resources Company, LLC ("Resolute") requests that the Commission schedule and hold an additional Public Witness Day on or near the areas affected by the Application filed in this matter. On February 3, 2016 and February 5, 2016, Resolute Counsel became aware of Resolutions passed by the Aneth and Red Mesa Chapters of the Navajo Nation opposing the Application. These Resolutions are attached to this Request.

Based on the Resolutions, it is clear there is serious dissent and concern among the people who would be affected if the Commission grants the Application. In addition, given the distance, difficulty, and cost of travel, it would be much simpler for the Commission to travel than for the members of the tribe to have to travel to the Commission's office in Salt Lake City. Resolute therefore requests and recommends that the Commission schedule and hold a Public Witness Day as close to the people as possible who will be affected by this Application to allow them to express their concern.

Respectfully submitted this 11th day of February, 2016.
