Before the Public Service Commission of Utah

In the Matter of the Application of Rocky Mountain Power for Approval of the Purchase and Transfer Agreement and the Power Supply Agreement with the Navajo Tribal Utility Authority (NTUA) and Amendment of Certificate of Public Convenience and Necessity	Docket No. 15-035-84 The Office of Consumer Services' Response in Support of Resolute Natural Resource Company, LLC's Request for Public Witness Day on or Near the Areas Affected by the Application
--	--

On February 11, 2016 Resolute Natural Resources Company, LLC ("Resolute") requested that the Public Service Commission ("Commission") schedule and hold a Public Witness Day in addition to the one currently scheduled in this Docket. Based in part on the distance and difficulty of travel resolute requested that the additional Public Witness Day be held on or near the areas affected by the Application filed in this Docket.

The Office of Consumer Services supports the request by Resolute for the additional Public Witness Day. If the Commission elects to hold the additional Public Witness hearing the Office stands ready to assist residential or small commercial consumers wishing to testify.¹ The Office requests the opportunity to coordinate with the Commission on how such assistance might be most beneficial to the Commission and the consumers.

RESPECTFULLY submitted this 25th day of February, 2016

Rex W. Olsen, Assistant Attorney General
Office of Consumer Services
