Re: Advice Letter No. 15-06 in Docket No. 15-035-T05, In the Matter of Rocky Mountain Power's Proposed Revisions to Various Electric Service Schedules

Dear Mr. Lively,

The Commission has reviewed the proposed original and revised tariff sheets transmitted with Rocky Mountain Power's letters dated April 28 and May 19, 2015, in Docket No. 15-035-T05 entitled above.

The Division of Public Utilities (Division) reviewed the proposed original and revised tariff sheets filed on April 28 and recommended the Commission approve them as filed with the exception that minor clarifying language should be added to the new Tariff Sheet No. 80 for ease of interpretation by customers.

On May 19, 2015, Rocky Mountain Power filed a revised Tariff Sheet No. 32.6 reflecting the correct version of the tariff sheet approved on May 18, 2015, in Docket No. 14-035-T02. In addition, Rocky Mountain Power filed a revised Tariff Sheet No. 80 with the Division's recommended clarifying language. The Division reviewed these revisions and recommends the Commission approve them.

Based on the Division's review, the Commission approves the proposed tariff sheets filed on April 28, 2015, as amended on May 19, 2015, with an effective date of May 31, 2015.

Sincerely,

/s/ Gary L. Widerburg
