InSite Tower Development, LLC (“InSite”) submits a Joint Motion for Indefinite Stay of Procedural Schedule in the captioned proceeding.

The parties are currently involved in active settlement proceedings that may resolve the issues raised in InSite’s Complaint. Because the settlement discussions are in an early stage of development, the parties cannot predict how long it might take to resolve the matter or reach a point when these proceedings should be resumed.

If the parties do not resolve the matter, either party may seek to reactivate the proceedings before the Commission by notifying the Commission and seeking the establishment of a new procedural schedule.

InSite is authorized to represent that Dixie Escalante Rural Electric Association, Inc., and the Utah Division of Public Utilities support this motion.

Respectfully submitted this 10th day of June 2015.
