To whom it may concern:

Enclosed you will find a "revised" copy of Dixie Escalante's Impact Fee Schedule which is an exhibit to the Line Extension policy found in the Electric Service Regulations. This Impact Fee Schedule was approved by the Board of Directors and presented at a member meeting held on November 5, 2014 at Desert Hills High School, with an effective date of January 1, 2015.

As you may or may not be aware, Dixie Escalante has not had an Impact Fee Schedule change since 2005. These revised Impact Fees reflect an overall increase of 33 percent, which is necessary to fund the infrastructure needs resulting from growth in customers and electric demand.

If you have further questions, please call me at (435) 439-5311. Also, if you will e-mail me at ladell@dixiepower.com I will send you an electronic version of these rates.

Sincerely,

LaDel Laub
