Re: Docket No. 16-035-10, In the Matter of the Application of Rocky Mountain Power for Authority to Revise Rates in Tariff Schedule 98, Renewable Energy Credits Balancing Account

Dear Mr. Lively,

The Commission reviewed the modification to Electric Service Schedule No. 98, REC Revenue Adjustment, filed by PacifiCorp, doing business as Rocky Mountain Power, on June 3, 2016. The filing was made pursuant to the Commission's May 20, 2016 Order (May Order) and corrects the docket number on the Second Revision of Sheet No. 98.

Based on the Commission's review, PacifiCorp's proposed revision to Schedule No. 98 is consistent with the May Order and the corrected Sheet No. 98 is approved as filed, effective June 1, 2016.

Sincerely,

/s/ Gary L. Widerburg  
Commission Secretary
