Attorneys for Rocky Mountain Power

BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

In the Matter of the Application of Rocky Mountain Power for Approval of its Amendment to Agreement for Electric Service to Additional Customers with Manti City, Utah	DOCKET NO. 16-035-_____ REQUEST FOR APPROVAL OF AMENDMENT TO ELECTRIC SERVICE AGREEMENT
--	---

Pursuant to Utah Code Ann. § 63G-4-201, 203 and Utah Admin. Code R746-100-3, Rocky Mountain Power (the “Company”) respectfully requests that the Public Service Commission of Utah (“Commission”) approve its Amended Agreement (“Amended Agreement”) with Manti City, Utah (“City”) whereby the Company agrees to allow City to provide electric service to certain customers (“Additional Customer(s)”) outside its municipal boundary and located within Rocky Mountain Power’s certificated service territory (“Agreement”). This Amended Agreement amends the existing agreement which was approved by the Commission in Docket No. 14-035-94. In support of this petition, the Company states as follows:

1. Rocky Mountain Power is a public utility in the state of Utah and is authorized by a certificate of public convenience and necessity issued by the Public Service Commission of Utah (“Commission”) to provide electric service to customers, inclusive of

the Additional Customer(s), in areas outside the municipal boundary of the Municipality. Rocky Mountain Power's principal place of business in Utah is 1407 West North Temple, Suite 320, Salt Lake City, Utah 84116.

2. Certain Additional Customer(s), identified more particularly in Exhibit A have requested service from City, which electric service is located outside the municipal boundaries of City. Exhibit B shows the relative location of the Additional Customer(s) to the nearest City distribution facilities and the nearest Rocky Mountain Power distribution facilities. The Additional Customer(s) are located nearer to City distribution facilities than to the nearest Rocky Mountain Power distribution facilities. The Additional Customer(s) are not currently receiving electric service at the requested location(s) from either the Company or City.

3. City is a municipal provider of retail electric service within the municipal boundaries of City. City desires to provide electric service to certain Additional Customer(s) – identified more particularly in the Exhibit A– outside its municipal boundary. The municipal offices of City are located at 10 North Main Street, Monroe City, Utah 84754.

4. The Legislature of the State of Utah passed Senate Bill 180 (the “Bill”) during the 2013 General Session of the Legislature amending Utah Code Ann. § 10-8-14 regarding electric service by a municipal utility outside of its municipal boundaries. The Bill became law on May 13, 2013.

5. Pursuant to Utah Code Ann. § 10-8-14(5) the City has submitted a request to the Company to provide electric service to the Additional Customer(s), Rocky Mountain Power has agreed to allow City to provide electric service to the Additional Customer(s),

and the Company and City have entered into the Amended Agreement for the provision of electric service to the Additional Customer(s), subject to the approval of the Public Service Commission.

6. The Parties have entered into the Amended Agreement, subject to the Commission's approval, in compliance with Utah Code Ann. §§ 10-8-14 and 54-4-40 to provide terms and conditions for the Municipality to provide electric service to Additional Customer(s) in accordance with the terms and conditions of this Amended Agreement.
