BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH

<p>IN THE MATTER OF ROCKY MOUNTAIN POWER'S SOLAR PHOTOVOLTAIC INCENTIVE PROGRAM (SCHEDULE 107) 2016 ANNUAL REPORT</p>	<p>Docket No. 16-035-21</p> <p>MOTION TO VACATE SCHEDULE AND REQUEST FOR EXPEDITED TREATMENT</p>
--	---

Pursuant to Utah Admin. Code r.746-100, the Division of Public Utilities (“Division”) files this Motion to Amend Schedule and Request for Expedited Treatment. The Division requests that the Commission amend the schedule set in the October 31, 2016 Scheduling Order. The Division believes a negotiated settlement is imminent. Therefore, the Division moves to amend the schedule in this docket as follows;

- I. The remaining November 29, 2016 Reply Comments and December 8, 2016 Final Comments be vacated, and
- II. The December 13, 2016 date be retained if the Commission wishes to hold a hearing on this matter or, in the alternative, be vacated in the event that the

Commission is satisfied with the Stipulation and does not find it necessary to hold a hearing.

The Division notes that this docket was opened as an annual report for the Solar Photovoltaic Incentive Program and originally did not have a hearing date set. The Parties are satisfied with submitting a stipulation without hearing, but remain available to participate in a hearing as scheduled for December 13, 2016 if the Commission wishes to hold a hearing.

A draft of this Motion was circulated to the parties in this docket. The Division is authorized to represent that the Office of Consumer Services and Rocky Mountain Power support this Motion. The Division is unaware of any party that may wish to intervene who has not done so and is further unaware of any objections to this Motion.

Due to the approaching November 29, 2016 Reply Comment filing date, the Division respectfully requests that the Commission expedite its consideration of this Motion.

Submitted this 22nd day of November, 2016.
