

- BEFORE THE PUBLIC SERVICE COMMISSION OF UTAH -

In the Matter of the Application of Rocky Mountain Power for Approval of an Energy Services Agreement between Rocky Mountain Power and Kennecott Utah Copper, LLC

DOCKET NO. 16-035-33  
SCHEDULING ORDER AND  
NOTICE OF HEARING

ISSUED: August 18, 2016

Pursuant to the Notice of Scheduling Conference issued on August 8, 2016, the Commission held a scheduling conference in this docket on August 16, 2016. At the conference, the parties agreed to the following schedule, which the Commission approves and adopts. The Division of Public Utilities (“Division”) noted for the record that its consent to this schedule is contingent on Kennecott Utah Copper, LLC timely amending the anticipated transfer date of its previously noticed intention to transfer service to a non-utility energy supplier pursuant to Utah Code Ann. § 54-3-32. The noticed date of the intended transfer is of consequence to the Division because the date triggers certain statutory duties with which the Division must comply within statutorily enumerated time frames. The Presiding Officer noted the Division’s contingent agreement and requested the parties timely notify the Commission in the event any problem arises that requires revisiting the established schedule.

The schedule for the docket is as follows:
