RE: Docket No. 16-035-36 - In the Matter of the Application of Rocky Mountain Power to Implement Programs Authorized by the Sustainable Transportation and Energy Plan Act

On September 12, 2016, pursuant to Utah Code Annotated § 54-20-101, *et seq.*, also known as Senate Bill 115 – the Sustainable Transportation and Energy Plan Act (“STEP”), signed into law March 29, 2016, Rocky Mountain Power filed its Application, Exhibits, proposed tariff sheets, and direct testimony of four witnesses in support of the Application.

The Company herein files its Supplemental Application including testimony of two witnesses updating the Company’s Application for the Plug-In Electric Vehicle Program and includes a proposal for Time of Use pricing, which was developed based on input received from the parties in a series of workshops. The Company is seeking authorization from the Commission specifically with this Supplemental Application to implement a Plug-In Electric Vehicle Incentive Pilot Program and Tariff pursuant to U.C.A. § 54-20-103, including a Time of Use pricing pilot program, as required by the statute. The Company will also provide an electronic version of this filing to psc@utah.gov.

Rocky Mountain Power respectfully requests that all formal correspondence and requests for additional information regarding this filing be addressed to the following:
