Re: Major Event Report for September 22-24, 2016

Rocky Mountain Power is requesting major event exclusion for the weather-related events on September 22 - 24, 2016, which exceeded the Commission approved threshold for customer minutes lost in a 24-hour period.

Attached you will find details including costs incurred, restoration resources, number of customers off supply, customer minutes lost, and SAIDI, SAIFI, CAIDI figures.

Upon Commission approval, the company will exclude outage information for these events from its network performance reporting and from customer guarantee failure payments.

Informal inquiries may be made to Bob Lively at (801) 220-4052 or Heide Caswell, Director, Engineering, at (503) 813-6216.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeffrey K. Larsen".

Jeffrey K. Larsen
Vice President, Regulation
