**RE: Docket No. 16-035-T05 - Compliance Filing
Schedule No. 94, Energy Balancing Account**

Dear Mr. Widerburg:

Consistent with the Public Service Commission's Order in this matter dated May 16, 2016, Rocky Mountain Power ("Company") hereby submits this compliance filing with modifications to Schedules 94, Energy Balancing Account. As ordered by the Commission the modifications reflect an effective date of June 1, 2016. Please note that by retaining the reference to the EBA as a pilot program in Sheet No 94., as ordered by the Commission, the previously proposed modification to Sheet No. B.1 becomes superfluous. Accordingly, this compliance filing does not propose a modification to Sheet No. B.1. An original and five (5) copies of this filing will be provided to the Commission via overnight delivery. The Company will also provide electronic versions of this filing to psc@utah.gov.

Pursuant to the requirement of Rule R746-405-2(D), Rocky Mountain Power (the "Company") states that the proposed tariff sheets do not constitute a violation of state law or Commission rule.

First Revision of Sheet No. 94.1	Schedule 94	Energy Balancing Account (EBA)
----------------------------------	-------------	--------------------------------

Second Revision of Sheet No. 94.8	Schedule 94	Energy Balancing Account (EBA)
-----------------------------------	-------------	--------------------------------

The Company respectfully requests that all formal correspondence and requests for additional information regarding this filing be addressed to the following:
