Re: **Docket No. 16-035-T05**
Compliance Filing. In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service Schedule No. 94, Energy Balancing Account (EBA)

RECOMMENDATION (Approve)

The Division of Public Utilities ("Division") reviewed the revised tariff sheets filed by Rocky Mountain Power ("Company") on May 23 2016, for compliance with the Public Service Commission ("Commission") order dated May 16, 2016. The Division believes the Company's proposed revisions comply with the Commission's order. Therefore, the Division recommends that the Commission approve the revised tariff sheets with an effective date of June 1, 2016.

ISSUE

On May 23, 2016, the Commission issued an Action Request to the Division to review the Company's proposed revisions to Schedule 94. Energy Balancing Account Pilot Program (Schedule 94) for compliance with the Commission's Order dated May 16, 2016. This memorandum represents the Division's comments on this filing.

DISCUSSION and CONCLUSION

The Division reviewed the Company's proposed May 23rd changes to Schedule 94. The Division believes the proposed changes comply with the Commission's May 16, 2016 Order. The Company clarified that the monthly EBA Accrual (positive or negative) shall be shared 70% through May 31, 2016 and 100% beginning June 1, 2016 through December 31, 2019.
