Re: In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service
Schedule No. 94, Energy Balancing Account (EBA); Docket No. 16-035-T05

Dear Mr. Lively:

The Commission reviewed the May 23, 2016 tariff compliance filing by PacifiCorp, doing business as Rocky Mountain Power (PacifiCorp). PacifiCorp's filing revises Sheet Nos. 94.1 and 94.8 of its Electric Service Schedule No. 94, Energy Balancing Account (EBA) Pilot Program. Consistent with the Commission's May 16, 2016 Order (Order), the revisions to Sheet No. 94.1 include modifications to the Application section and the definition of EBA, and other administrative changes. The revisions to Sheet No. 94.8 include modifications to the EBA Deferral section and other administrative changes. Pursuant to the Order, the revisions reflect an effective date of June 1, 2016.

The Commission also reviewed the May 24, 2016 comments of the Division of Public Utilities (Division), recommending approval of PacifiCorp's revised tariff sheets with an effective date of June 1, 2016. The Division concludes that PacifiCorp's proposed tariff changes comply with the Commission's Order.

Based on the Commission's review of PacifiCorp's filing and the Division's comments, the revisions to the Sheet Nos. 94.1 and 94.8 filed by PacifiCorp on May 23, 2016 are approved effective June 1, 2016.

Sincerely,

Gary L. Widerburg
