Docket No. 16-035-T06, In the Matter of Rocky Mountain Power's Proposed Revisions to Electric Service Schedule No. 37, Avoided Cost Purchases from Qualifying Facilities

## REQUEST FOR EXTENSION

Due to unavoidable circumstances at the Division of Public Utilities (DPU), the review of the Company's filing in the above referenced docket was recently reassigned. To allow the DPU adequate time to review the application, the DPU requests that the Commission extend (for all parties) the comment deadline approximately one week to May 24, 2016.
