Re: 16-035-T12 – In the Matter of Rocky Mountain Power’s Proposed Revisions to Tariff Index Sheet No. B.

RECOMMENDATION (Approval)

The Division recommends the Commission approve the Company proposed revisions to its Tariff Index Sheet No. B. effective on August 31, 2016.

ISSUE

On September 28, 2016, Rocky Mountain Power (“Company”) filed with the Commission Advice No. 16-11, proposing revisions to its Tariff Index Sheet No. B. On September 28, 2016, the Commission issued an Action Request to the Division requesting the Division to investigate the Company’s filing and to report back by October 13, 2016. The Company requested an effective date of August 31, 2016. This memorandum represents the Division’s response to the Commission’s Action Request.

DISCUSSION

On September 28, 2016, Rocky Mountain Power (“Company”) filed with the Commission Advice No. 16-11, proposing revisions to its Tariff Index Sheet No. B. The proposed revisions is simply to update the Tariff Index Sheet No. B to reflect the Commission’s August 18, 2016 Order Memorializing Bench Ruling Approving Stipulation in Docket No. 16-035-T09 in which it approved Schedule 34.

The Division reviewed the Company’s filing and determined that Schedule 34 is appropriately included in the Tariff Index Sheet No. B. Therefore, the Division recommends the Commission to approve the Company’s proposal effective August 31, 2016.
