Re: **Extension of Time—Action Request**
Formal Complaint of Sharee Anderson vs. Ticaboo Utility Improvement
District 16-2508-01.

ISSUE/REQUEST

On July 22, 2016, the Public Service Commission (“Commission”) issued an Action Request to the Utah Division of Public Utilities (“Division”) for a review of the Formal Complaint of Sharee Anderson vs. Ticaboo Utility Improvement District and make recommendations. The Commission asked the Division to report back by August 22, 2016.

The Commission is currently investigating an open docket regarding the same matter surrounding this grievance. The Division has determined that this Action Request Response will require more information, and respectfully is requesting the Commission to extend the due date of the Action Request to September 22, 2016. This will allow the Division time to collect more information of the filing.
