Dear Mr. Widerburg:

On December 1, 2016 the Bridger Valley Electric Association Board of Directors authorized changes to the filed tariffs to be effective February 1, 2017. Enclosed are revised tariff sheets reflecting those changes for filing with the Public Service Commission.

The Board approved the changes for consumers in both the Wyoming and Utah service territories. BVEA is concurrently filing identical changes with the Wyoming Public Service Commission.

We respectfully request that these schedules be accepted for filing.

If you need any additional information or have further questions, please let me know.

Sincerely,
