Re: *Advice Letter No. 18-03, Rocky Mountain Power's Proposed Tariff Revisions to Electric Service Schedule No. 135, Net Metering Service; Docket No. 18-035-T03*

Dear Ms. Saba:

The Public Service Commission (PSC) reviewed the June 1, 2018 filing by PacifiCorp, doing business as Rocky Mountain Power (PacifiCorp), proposing changes to Electric Service Schedule No. 135, Net Metering Service (Schedule 135). The proposed changes to Sheet No. 135.4 of Schedule 135 update the rates applicable to large non-residential customers who select the FERC Form No. 1 compensation method to receive credit for net excess generation. The proposed rates represent a 0.4 percent decrease for Schedule No. 6, a 2.0 percent increase for Schedule No. 6A, a 9.2 percent decrease for Schedule No. 6B, a 1.1 percent decrease for Schedule No. 8, and a 1.2 percent increase for Schedule No. 10. PacifiCorp states that the proposed changes are being made pursuant to the PSC's February 12, 2009 Report and Order Directing Tariff Modifications in Docket No. 08-035-78 (2009 Order).

The PSC also reviewed the June 18, 2018 comments filed by the Division of Public Utilities (DPU). The DPU concludes that the proposed changes to Schedule 135 comply with the 2009 Order and recommends the PSC approve them. The DPU notes PacifiCorp's adjustment to remove the amounts recovered for Schedule Nos. 193, Demand Side Management Cost Adjustment, and 196, Sustainable Transportation and Energy Plan Cost Adjustment from revenue included on the Company's 2017 FERC Form 1 and concludes the overall adjustment is reasonable.

Based on the PSC's review of the filing and the DPU's recommendation, the Fourth Revision of Sheet No. 135.4 is approved as filed, effective July 1, 2018.

Sincerely,

/s/ Gary L. Widerburg
PSC Secretary
